08.00 **Congress opening followed by two main lectures:**

Natale Cascinelli - Italy,
Robert M. Goldwyn - USA

09.00 **Live Surgery Room 4 and Room 5**

13.00 *Lunch and Poster Session*

14.00 **Lectures: Radical Mastectomy: When and How?**

Luigi Cataliotti - Italy

Breast Reconstruction with Prosthesis

Patrick Maxwell - USA

Immediate Reconstruction with Expander

Gino Rigotti - Italy

Delayed Reconstruction with Expander

Rika Deraemacker - Belgium

Immediate Reconstruction with Prosthesis

Jean Y. Petit - Italy

Reconstruction with Permanent Expanders

Krishna Clough - France

Submammary Fold Definition

Maurizio Nava, Egidio Riggio - Italy

Immediate Reconstruction with Polyurethane Implants

Alberto Rancati - Argentina

Grand Reviewer

Maurizio Nava - Italy

Discussion

16.35 *Coffee Break*

17.00 **Video Free Flap**

James Grotting - USA

Free Vs Pedicled Tram Flap

Gino Rigotti - Italy

Recharged Free Tram

Pier Luigi Santi - Italy

Immediate Free Tram

James Grotting - USA

Discussion

18.30 **Specialized Workshop Limited Number of 20**

(Pre-Booking Available)

The 5 Topics are the Following:

- Nipple and Areola Reconstruction
- How to Manage the Controlateral Breast
- Sizing of Prosthesis in Breast Reconstruction
- Mastoplasty Reduction
- Sizing of Prosthesis in Breast Augmentation

TUESDAY 13TH NOVEMBER 2001

08.00 **Live Surgery Room 4 and Room 5**
