

AESTHETIC BREAST MEETING

MILAN 2020

MBN 2020

WEBINAR EDITION 2020

28TH NOVEMBER

5TH DECEMBER

12TH DECEMBER

CONGRESS.MAURIZIONAVA.IT

#MBN2020 #NEVERSTOPLEARNING

PRELIMINARY PROGRAMME

Main Topics

BREAST REDUCTION and PEXY
BREAST AUGMENTATION
BREAST IMPLANTS
SPAIR TECHNIQUE
CASES SENT BY THE ATTENDEES
MASTERCLASSES / VIDEOTEACHING
LIVE SURGERY
IN-DEPTH LECTURES

Conference Presidents

Maurizio Bruno Nava (Italy)
Alberto Rancati (Argentina)

Scientific Committee

Giuseppe Catanuto (Italy)
Nicola Rocco (Italy)

Organising Committee:

Gianfranco Tunesi (Italy)
Valentina Visintini (Italy)

Invited Speakers

Eric AUCLAIR (France) - Yoav BARNEA (Israel) - Phillip BLONDEEL (Belgium)
Mitchell BROWN (Canada) - Celet Ozden BURCU (Turkey) - Lazaro CARDENAS (Argentina)
Roy DE VITA (Italy) - Daniel FLEMING (Australia) - Dennis HAMMOND (USA)
Paul HARRIS (UK) - Per HEDEN (Sweden) - Ernst Magnus NOAH (Germany)
Patrick MALLUCCI (UK) - José Luis MARTIN DEL YERRO (Spain)
Tatiana MAVRODI (Russia) - Paolo MONTEMURRO (Sweden)
Alexandre.M. MUNHOZ (Brazil) - Foad NAHAI (USA) - Constantin STAN (Romania)

28th November 2020

10.00 - 13.00 **LIVE SURGERY**

13.00 - 13.30 **LUNCH BREAK**

13.30 - 14.00 Cases sent by the attendees - Particular cases
A. Rancati - P. Montemurro - Y. Barnea - D. Hammond - M.B. Nava

14.00 - 15.00 Revision Surgery after Breast Augmentation and Pexy / Reduction:
(10' each) How to prevent and solve side effects.

How to prevent side effects - *M.B. Nava*

How to minimize implant Contamination - *E.M. Noah*

How to minimize Poor Animation - *P. Montemurro*

Surface area-based classification for capsular contracture - *D. Hammond*

Implant revisions for overcoming long term problems - *C.O. Burcu*

Q&A

15.00 - 15.15 **BREAK**

15.15 - 16.25
(10' each)

Implant Visibility and Breast Distortion - *A.M. Munhoz*

Implant malposition. - *Y. Barnea*

Re-Reduction - *P. Harris*

Implant Rupture - *A. Rancati*

Pexy Augmentation - *M. Brown*

Waterfall Deformity - *Y. Barnea*

Q&A

16.25 - 17.25 **IN-DEPTH LECTURES**
(10' each)

Control of the IMF in breast augmentation - *D. Hammond*

Transitioning From Conventional Textured to Nano textured

Breast Implants: Our Early Experience and Modifications for Optimal Breast Augmentation Outcomes - *P. Montemurro*

Breast shape analysis and objective surgical outcome evaluation - *G. Catanuto*

Silicone Implant Illness: Science versus Myth? - *E.M. Noah*

17.25 - 17.45 **MASTER LECTURE - D. Hammond**
Peri-areolar mastopexy, augmentation mastopexy, and revision

10.00-11.00 Registration online and meet the technician for any problem

10.50-11.00 Opening by *M.B. Nava* and *A. Rancati*

BREAST REDUCTION AND PEXY

11.00 – 11.25 **GUEST LECTURE** - *P. Heden*
My learning curve on Mastopexy Augmentation

11.25 - 11.40 **MASTERCLASSES / Video teaching session(DeferredSurgery)**
(choose one of the proposed videos)

“Inside” Mastopexy Augmentation - *C. Stan*
Mastopexy Augmentation with Fat Grafting - *E. Auclair*
Primary symmastia with breast hypertrophy - *C. Burcu*
Surgical tricks for good outcome in Breast reduction/Mastopexy with Implants
R. De Vita

11.40 - 12.40
(10' each)

How to prevent side effects. - *M.B. Nava*
Implant removal/change and mastopexy. - *P. Harris*
Mastopexy and Light Implants: which are the advantages? - *M. del Yerro*
Round VS Anatomical Implants: how to choose? - *P. Mallucci*
How to Correct RELAPSES of Ptotic Breast/Slings or Meshes? - *R. De Vita*
Q & A

12.40 - 13.00 **LUNCH BREAK**

13.00 - 14.00 **MASTOPEXY**
(10' each)

Mastopexy with dissolvable mesh - *P. Harris*
The Role of Fat Grafting. - *E. Auclair*
Anatomical decision-making in mastopexy-augmentation. - *P. Harris*
Mastopexy Augmentation WITHOUT Implants. - *A. Rancati*
How to make fat grafting working in one session. - *E. Auclair*
Q & A

14.00 - 14.25 **LECTURE** - *F. Nahai*
40 Years of Breast Reduction: What have I learned

14.25 - 15.00 **LUNCH BREAK**

15.00 - 16.00 **BREAST REDUCTION**

(10' each)

How to Manage Gigantic Breast Redcution. - *T. Mavrodi*

Vertical Scar: which is the safest procedure according to the pedicle?

M. Brown

The "SEPTUM" as a driver. - *P. Blondeel*

Breast reduction: making the Wise pattern FIT. - *P.Harris*

Round Block technique: any limits related to breast size? - *A. Rancati*

Q & A

16.00 - 16.15 **MASTERCLASSES / VIDEOTEACHING** (choose one of the proposed videos)

Breast Reduction by using Vertical Scar - *E.M. Magnus Noah*

T inverted scar: why I'm using it: Surgical Tricks using an Inferior Pedicle

A. Rancati

My Preferred Technique to reduce the Breast. - *M. Brown*

FIT pattern breast reduction - *P. Harris*

16.20 - 16.35 **BREAK**

16.35 - 17.15

(10' each)

SPAIR technique: patient selection and results. - *D. Hammond*

Best Pedicle according to Breast Size and Shape. - *A. M. Munhoz*

A closer Look at Revision Surgery and Common Complications

L. Cardenas

Massive Weight Loss: how to reshape the breast. - *M. Brown*

Q & A

17.15 - 17.35 **INTRODUCING LECTURE - P. Heden**

Implants Breast Evolution

12th December 2020

11.00 - 11.15

VIDEO TEACHING SESSION (choose one of the proposed videos)

Hybrid Breast Augmentation - *P. Blondeel*
Dual Plane approach - *P. Montemurro*
New IMF position: how to measure - *M.B. Nava*
En block capsulectomy - *Y. Barnea*
Secondary Surgery: how to realize different pocket position - *C.O. Burcu*
How to use dual gel implants - *C. Stan*

11.15 - 12.25

(10' each)

Fat Grafting for Volume Augmentation. - *E. Auclair*
Light Implants: correct indications. - *P. Mallucci*
How to Properly use Polyetherane Covered Implants. - *R. De Vita*
How to Manage Implant Removal Without Replacement. - *Russian*
Dual Plane VS Hybrid Augmentation. - *P. Blondeel*
3D Imaging: does it really work? - *P. Montemurro*
Q&A

12.25 - 12.35

HOT TOPIC

Management of ALCL/European Guidelines - *A. Campanale*

12.35 - 12.50

BREAK

12.50 - 13.50

(10' each)

The dual vascular pedicle: my own technique of performing mastopexy augmentation - *P. Montemurro*
Volume Distribution of the Implant according to the Nipple - *M. del Yerro*
Primary augmentation with precision filled implants - *C. D. Burcu*
My learning curve after macrotextured implants voluntary recall - *E.M. Noah*
Peri areolar mastopexy, augmentation mastopexy, and revision - *D. Hammond*
Q&A

13.40 - 14.30

LUNCH BREAK

14.30 - 15.00

(15' each)

My way for a perfect breast augmentation
D. Hammond - *P. Heden*

15.00 - 15.50
(10' each)

Minimally Invasive scar Breast Augmentation: what does it mean? - *A.M. Munhoz*
Fat Breast Augmentation is it as Simple as it Looks? - *A. Rancati*
Should macrot textured implants be removed in any case?? - *M. Brown*
Subfascial Pocket: is it feasible? - *L. Cardenas*

Q&A

15.50 - 16.05 **MASTERCLASSES/** Video teaching session (Deferred Surgery)
(choose one of the proposed videos)

SPAIR technique: patient selection and results - *D. Hammond*
Breast augmentation with smooth, round implants - *M. Brown*
Steps by step how to realize a pre pectoral breast augmentation:
patients and implants selection - *L. Cardenas*
My personal technique to improve fat grafting in Hybrid breast augmentation
A Rancati
How to realize a pocket through a minimal skin incision - *A.M. Munhoz*

16.05 - 16.20 **BREAK**

16.20 - 17.35 **HOT TOPICS**
(15' each)

Tuberous Breast: How to manage it. - *M. Brown*
What is the evidence on BIA-ALCL? - *N. Rocco*
Short scar technique: true added value or just a marketing tool? - *P. Montemurro*
What I've changed in my practice after ALCL - *M. B. Nava*
Control of the IMF in breast augmentation. - *D. Hammond*

17.35 - 17.45 Closing, Remarks
