ONCOPLASTIC
BREAST MEETING

MILAN

WELCOME TO MBN2025

UNSCRIPTED BODIES

RESHAPING WOMEN EMPOWERMENT
THROUGH ONCOPLASTIC BREAST SURGERY

THIS YEAR'S EDITION OF THE MBN ONCOPLASTIC BREAST MEETING IS A CALL TO BREAK THE MOLD - SURGICALLY, CULTURALLY, AND CONCEPTUALLY.

WITH THE THEME "UNSCRIPTED BODIES", WE AIM TO CHALLENGE SCRIPTED NORMS AND AESTHETIC EXPECTATIONS OFTEN IMPOSED ON WOMEN'S BODIES, PARTICULARLY AFTER BREAST CANCER. ONCOPLASTIC BREAST SURGERY IS NOT JUST ABOUT RESTORING FORM - IT'S ABOUT RESTORING AGENCY, DIGNITY, AND IDENTITY.

WE BELIEVE THAT EMPOWERMENT BEGINS WITH OFFERING WOMEN CHOICES, GROUNDED IN SCIENCE, GUIDED BY EMPATHY, AND LIBERATED FROM STEREOTYPES.

OUR WORK AS SURGEONS GOES BEYOND TECHNIQUE - IT INVOLVES RESHAPING NOT ONLY TISSUE, BUT NARRATIVES: THE RIGHT TO LOOK DIFFERENT, TO HEAL DIFFERENTLY, TO CHOOSE DIFFERENTLY.

AT MBN2025, WE INVITE YOU TO EXPLORE BOLD PERSPECTIVES IN SURGICAL INNOVATION, PATIENT CENTERED CARE, AND SHARED DECISION-MAKING. LET US ADVANCE A FUTURE WHERE EVERY WOMAN'S BODY IS RESPECTED NOT FOR HOW CLOSELY IT FOLLOWS CONVENTION, BUT FOR THE STRENGTH, BEAUTY, AND UNIQUENESS IT INHERENTLY HOLDS.

JOIN US IN MILAN THIS DECEMBER. LET'S THINK CRITICALLY, OPERATE ETHICALLY, AND SUPPORT ONE ANOTHER IN REWRITING THE SCRIPT.
